Absent the State's prior written approval, Grantee shall refrain from any practices, activities or relationships that reasonably appear to be in conflict with the full performance of Grantee's obligations to the State hereunder. If a conflict or appearance exists, or if Grantee is uncertain whether a conflict or the appearance of a conflict of interest exists, Grantee shall submit to the State a disclosure statement setting forth the relevant details for the State's consideration. If such breach is not cured within 30 days of receipt of written notice, or if a cure cannot be completed within 30 days, or if cure of the breach has not begun within 30 days and pursued with due diligence, the State may exercise any of the remedies set forth in §15. Notwithstanding anything to the contrary herein, the State, in its sole discretion, need not provide advance notice or a cure period and may immediately terminate this Grant in whole or in part if reasonably necessary to preserve public safety or to prevent immediate public crisis.

15. REMEDIES

If Grantee is in breach under any provision of this Grant, the State shall have all of the remedies listed in this §15 in addition to all other remedies set forth in other sections of this Grant following the notice and cure period set forth in §14(B). The State may exercise any or all of the remedies available to it, in its sole discretion, concurrently or consecutively.

A. Termination for Cause and/or Breach

If Grantee fails to perform any of its obligations hereunder with such diligence as is required to ensure its completion in accordance with the provisions of this Grant and in a timely manner, the State may notify Grantee of such non-performance in accordance with the provisions herein. If Grantee thereafter fails to promptly cure such non-performance within the cure period, the State, at its option, may terminate this entire Grant or such part of this Grant as to which there has been delay or a failure to properly perform. Exercise by the State of this right shall not be deemed a breach of its obligations hereunder. Grantee shall continue performance of this Grant to the extent not terminated, if any.

i. Obligations and Rights

To the extent specified in any termination notice, Grantee shall not incur further obligations or render further performance hereunder past the effective date of such notice, and shall terminate outstanding orders and sub-grants/contracts with third parties. However, Grantee shall complete and deliver to the State all Work, Services and Goods not cancelled by the termination notice and may incur obligations as are necessary to do so within this Grant's terms. At the sole discretion of the State, Grantee shall assign to the State all of Grantee's right, title, and interest under such terminated orders or sub-grants/contracts. Upon termination, Grantee shall take timely, reasonable and necessary action to protect and preserve property in the possession of Grantee in which the State has an interest. All materials owned by the State in the possession of Grantee shall be immediately returned to the State. All Work Product, at the option of the State, shall be delivered by Grantee to the State and shall become the State's property.

ii. Payments

The State shall reimburse Grantee only for accepted performance up to the date of termination. If, after termination by the State, it is determined that Grantee was not in breach or that Grantee's action or inaction was excusable, such termination shall be treated as a termination in the public interest and the rights and obligations of the Parties shall be the same as if this Grant had been terminated in the public interest, as described herein.

iii. Damages and Withholding

Notwithstanding any other remedial action by the State, Grantee also shall remain liable to the State for any damages sustained by the State by virtue of any breach under this Grant by Grantee and the State may withhold any payment to Grantee for the purpose of mitigating the State's damages, until such time as the exact amount of damages due to the State from Grantee is determined. The State may withhold any amount that may be due to Grantee as the State deems necessary to protect the State, including loss as a result of outstanding liens or claims of former lien holders, or to reimburse the State for the excess costs incurred in procuring similar goods or services. Grantee shall be liable for excess costs incurred by the State in procuring from third parties replacement Work, Services or substitute Goods as cover.

B. Early Termination in the Public Interest

The State is entering into this Grant for the purpose of carrying out the public policy of the State of Colorado, as determined by its Governor, General Assembly, and/or Courts. If this Grant ceases to further the public policy of the State, the State, in its sole discretion, may terminate this Grant in whole or in part. Exercise by the State of this right shall not constitute a breach of the State's obligations hereunder. This subsection shall not apply to a termination of this Grant by the State for cause or breach by Grantee, which shall be governed by §15(A) or as otherwise specifically provided for herein.

i. Method and Content

The State shall notify Grantee of such termination in accordance with §16. The notice shall specify the effective date of the termination and whether it affects all or a portion of this Grant.

ii. Obligations and Rights

Upon receipt of a termination notice, Grantee shall be subject to and comply with the same obligations and rights set forth in §15(A)(i).

iii. Payments

If this Grant is terminated by the State pursuant to this §15(B), Grantee shall be paid an amount which bears the same ratio to the total reimbursement under this Grant as the Services satisfactorily performed bear to the total Services covered by this Grant, less payments previously made. Additionally, if this Grant is less than 60% completed, the State may reimburse Grantee for a portion of actual out-of-pocket expenses (not otherwise reimbursed under this Grant) incurred by Grantee which are directly attributable to the uncompleted portion of Grantee's obligations hereunder; provided that the sum of any and all reimbursement shall not exceed the maximum amount payable to Grantee hereunder.

C. Remedies Not Involving Termination

The State, at its sole discretion, may exercise one or more of the following remedies in addition to other remedies available to it:

i. Suspend Performance

Suspend Grantee's performance with respect to all or any portion of this Grant pending necessary corrective action as specified by the State without entitling Grantee to an adjustment in price/cost or performance schedule. Grantee shall promptly cease performance and incurring costs in accordance with the State's directive and the State shall not be liable for costs incurred by Grantee after the suspension of performance under this provision.

ii. Withhold Payment

Withhold payment to Grantee until corrections in Grantee's performance are satisfactorily made and completed.

iii. Deny Payment

Deny payment for those obligations not performed, that due to Grantee's actions or inactions, cannot be performed or, if performed, would be of no value to the State; provided, that any denial of payment shall be reasonably related to the value to the State of the obligations not performed.

iv. Removal

Demand removal of any of Grantee's employees, agents, or Sub-grantees whom the State deems incompetent, careless, insubordinate, unsuitable, or otherwise unacceptable, or whose continued relation to this Grant is deemed to be contrary to the public interest or not in the State's best interest.

v. Intellectual Property

If Grantee infringes on a patent, copyright, trademark, trade secret or other intellectual property right while performing its obligations under this Grant, Grantee shall, at the State's option (a) obtain for the State or Grantee the right to use such products and services; (b) replace any Goods, Services, or other product involved with non-infringing products or modify them so that they become non-infringing; or, (c) if neither of the foregoing alternatives are reasonably available, remove any infringing Goods, Services, or products and refund the price paid therefore to the State.

16. NOTICES and REPRESENTATIVES

Each individual identified below is the principal representative of the designating Party. All notices required to be given hereunder shall be hand delivered with receipt required or sent by certified or registered mail to such Party's principal representative at the address set forth below. In addition to, but not in lieu of a hard-copy

These tasks are listed by Emergency Management Function in the work plan and are part of the Annual EMPG/LEMS Program Application along with the Staffing Plan and other required forms.

1.2 Project Expenses. Project expenses include up to 50% of the costs for salaries and benefits for Grantee's emergency manager and emergency management staff, travel, emergency management office operational costs, and the costs associated with, emergency management exercises, training and planning. No more than 5% of this Grant may be used for Management and Administration (M&A) costs. Note: salaries of local emergency managers are not typically categorized as M&A, unless the local Emergency Management Agency (EMA) chooses to assign personnel to specific M&A activities. Additional specific eligible and ineligible cost information is listed in the 2015 EMPG program guidance now known as "Funding Opportunity Announcement" at

http://www.fema.gov/media-library-data/1427284768817-b62b93d48b12617f423c0e8fbfde562b/FY2015EMPG_NOFO.pdf

Project expenses include the costs to complete the project described in §1.1.

1.3 Non-Federal Match: This non-federal match section applies to or does not apply to this Grant. If it applies, this Grant requires a non-federal match contribution of 50% of the total Grant budget. Documentation of expenditures for the non-federal match contribution is required with each drawdown request. The match may or may not include in-kind match.

2. DELIVERABLES:

2.1 Grantee shall submit narrative and financial reports describing project progress and accomplishments, any delays in meeting the objectives and expenditures to date as described in §3 of this Exhibit B.

2.2 List additional grant deliverables. Grantees shall deliver all work products developed under §1.1.1 of this Exhibit B as part of their quarterly progress report.

3. REPORTING REQUIREMENTS:

3.1 Quarterly Financial Status and Progress Reports. The project(s) approved in this Grant are to be completed on or before the termination date stated in §5 of the Grant Agreement. Grantee shall submit quarterly financial status and programmatic progress reports for each project identified in this agreement using the EMPG Work Plan and Request for Reimbursement forms provided by the Division of Homeland Security and Emergency Management throughout the life of the grant. One copy of each required report with original or electronic signatures shall be submitted in accordance with the schedule below: (The order of the reporting period quarters below are irrelevant to the grant. If the grant is open during the "report period" reports for that period are due on the dates listed. If the grant is for more than one year, reports are due for every quarter that the grant remains open.)

Report Period	Due Date
January –March	April 30
April – June	July 31
July – September	October 30
October - December	January 29

3.2 Final Reports: Grantee shall submit final financial status and progress reports that provide final financial reconciliation and final cumulative grant/project accomplishments within 45 days of the end of the project/grant period. The final report may not include unliquidated obligations and must indicate the exact balance of unobligated funds. The final reports may substitute for the quarterly

reports for the final quarter of the grant period. If all projects are completed before the end of the grant period, the final report may be submitted at any time before its final due date. Further reports are not due after the Division of Homeland Security and Emergency Management has received, and sent notice of acceptance of the final grant report.

4. TESTING AND ACCEPTANCE CRITERIA:

The Division of Homeland Security and Emergency Management shall evaluate this Project(s) through the review of Grantee submitted financial and progress reports. The Division of Homeland Security and Emergency Management may also conduct on-site monitoring to determine whether the Grantee is meeting/has met the performance goals, administrative standards, financial management and other requirements of this grant. The Division of Homeland Security and Emergency Management will notify Grantee in advance of such on-site monitoring.

5. PAYMENT:

5.1 Payment Schedule: Grantee shall submit requests for reimbursement using the Division of Homeland Security and Emergency Management's provided form at least quarterly. One original or electronically signed/submitted copy of the reimbursement request is due on the same dates as the required financial reports. All requests shall be for eligible actual expenses incurred by Grantee, as described in detail in the budget table(s) of this Exhibit. Requests shall be accompanied by supporting documentation totaling at least the amount requested for reimbursement and any required non-federal match contribution. If any financial or progress reports are delinquent at the time of a payment request, the Division of Homeland Security and Emergency Management may withhold such reimbursement until the required reports have been submitted. Up to one fourth of the total grant will be reimbursed with each quarterly payment. No more than 50% of the reported expenses will be reimbursed at any time. If one quarter's reported expenses do not warrant reimbursement of a full quarter's payment, any remaining funds from that quarter will be available for subsequent quarters so that additional expenses incurred in the later quarters may be reimbursed. Likewise, if excess expenses for one quarter are reported, those unreimbursed expenses will be added to the following quarters' expenses as necessary to maximize each quarter's reimbursement. If the total reimbursable expenses reported for the year's grant exceed the amount of the award, the excess expenses may be eligible for consideration for any reallocation additions made at the end of the federal grant period. If any grant end reallocation funding is available, eligibility for these funds will require timely report submittal, and strong performance demonstrated through the quarterly progress reports and through ongoing contact/monitoring.

5.2 Payment Amount: If non-federal match is required, such match shall be reported/documented with every payment request. Excess match reported/documented and submitted with one reimbursement request shall be applied to subsequent requests as necessary to maximize the allowable reimbursement.

5.3 Remittance Address. If mailed, payments shall be sent to the representative identified in §16 of the Grant:

P.O. Box 638

 Pagosa Springs, CO 81147

6. ADMINISTRATIVE REQUIREMENTS:

Required Documentation: Grantees shall retain all procurement and payment documentation on site for inspection. This shall include, but not be limited to, purchase orders, receiving documents, invoices, vouchers, equipment/services identification, and time and effort reports.

6.1 Sufficient detail shall be provided with reimbursement requests to demonstrate that expenses are allowable and appropriate as detailed below:

6.1.1 Equipment or tangible goods. When requesting reimbursement for equipment items with a purchase price of or exceeding \$5,000, and a useful life of more than one year, the Grantee shall provide a unique identifying number for the equipment, with a copy of the Grantee's invoice and proof of payment. The unique identifying number can be the manufacturer's

serial number or, if the Grantee has its own existing inventory numbering system, that number may be used. The location of the equipment shall also be provided. In addition to ongoing tracking requirements, Grantee shall ensure that equipment items with per unit cost of \$5,000 or more are prominently marked in a manner similar to the following: Purchased with funds provided by the U.S. Department of Homeland Security.

8.3 Effective October 1, 2010, "Award" currently means a grant, cooperative agreement, or other arrangement as defined in Section 1.1 of these Supplemental Provisions. On future dates "Award" may include other items to be specified by OMB in policy memoranda available at the OMB Web site; Award also will include other types of Awards subject to the Transparency Act.

8.4 There are no Transparency Act reporting requirements for Vendors.

9. Event of Default. Failure to comply with these Supplemental Provisions shall constitute an event of default under the Contract and the State of Colorado may terminate the Contract upon 30 days prior written notice if the default remains uncured five calendar days following the termination of the 30 day notice period. This remedy will be in addition to any other remedy available to the State of Colorado under the Contract, at law or in equity.
