.A. Recommendation To Board Of Health To Disband Transitional Advisory Committee

The Transitional Advisory Committee was formed in February 2023 to research the programs that Archuleta County's Public Health Department should offer when the department opens in January 2024. The Committee provided its recommendations to the County Board of Health at their work session on July 25th and the Board of Health voted on the recommendations at their regular meeting on August 1st. This agenda item is for the Committee to approve recommending to the Board of Health that it formally disbands the committee effective immediately.
